A letter from Toronto

Read Kerem's letter quickly (one minute). Which paragraph is about…?

14 Maple Street
Toronto
12 February

Hi Elif,

A How are you and how is everyone at home? I'm writing in English because my teacher says it's good practice!

B I study at a small language school in the centre of Toronto. There are twelve students in my class, from Mexico, Korea, Brazil and Vietnam. Our teacher is Mr Clarke. He's funny and very patient.

C I live with a Canadian family in a big old house near the lake. Mrs Lee is a nurse and her son Daniel is sixteen. They're very kind, but they get up at six every morning!

D Toronto is a beautiful city, but it's very expensive. The buses are fast and clean. It's cold and windy now, but the lake is lovely in winter. I'm very happy here.

Write soon!
Love,
Kerem
